

Notice No. 1944, dated 27th April 1909.

In inviting attention to this Office Notice No. 932, dated the 7th November 1907, published in the *Mysore Gazette* of the 14th November 1907, and to the conditions Nos. 13 and 14 and No. 8 of allotment of sites in the Western (Chamarajendrapet) and Northern (Sheshadripuram) Extensions respectively, quoted below for ready reference, the owners of sites in the Chamarajendrapet, Sheshadripuram, Basavangudi and Malleswaram Extensions are hereby informed for the last time that failure to start building operations within ONE month and complete them within SIX months from the date of publication of this notice will result in the resumption of the sites by the Municipality without regard to any claim for compensation:—

No. 932, dated 7th November 1907.

Basavangudi and Malleswaram Extensions.

Whereas many of the allottees or purchasers of sites in the Basavangudi and Malleswaram Extensions have failed to start building operations and complete them within the period prescribed in condition 2 of the notice of allotment and condition 4 of the sale notification:—

And whereas many of them have indefinitely put off house-building by reserving their sites probably for speculative purposes, defeating thereby the very object with which these Extensions were opened:

It is accordingly hereby notified for the information of the public, that unless building operations in these Extensions are commenced by the owners or others interested in such sites, within ONE month from the date of publication of this notification, and finished within SIX months, the said sites will be forfeited to the Municipality without further notice and without payment of any compensation under conditions 10 and 11 of the Scrip granted to the allottees of sites.

Western (Chamarajendrapet) Extension.

13. Within SIX months from the date of the grant of the site, the applicant shall collect the building materials on the site, and within TWELVE months, complete the building.

14. If the applicant fails to pay the price fixed by the Sub-Committee or to complete the building within the time fixed; the site shall be liable to be resumed without any claim for compensation.

Northern (Sheshadripuram) Extension.

8. Within TWO months from the date of the notice of confirmation of sale of the site, the purchaser shall collect the building materials of the site, and within ONE year, complete the building, failing which, the site shall be liable to be resumed without any compensation.

2. Read General and Revenue Secretary's letter No. 5955—Ml. 18-06-5, dated the 23rd December 1908, requesting that the question of the revision of the several establishments of the Municipality may be re-considered in the light of the remarks made therein and the result duly reported.

*Resolved* that the proposed increase of establishments of the Municipality was carefully considered by a Sub-Committee, that the Council are of opinion that at least the pay of the Octroi Branch be increased for the present, with the modification that the appointment of Superintendent may be postponed and the pay of the Inspector raised from Rs. 30 to Rs. 45, rising to Rs. 60 with an annual increment of Rs. 3, and that the question of increasing the pay of the remaining establishments be deferred for further consideration.

3. Read Public Works Secretary's letter No. 42—201, dated the 11th January 1909, forwarding the correspondence relating to the action to be taken to ensure the proper up-keep of the drains handed over to the Municipality, and calling for the opinion of the Council on the suggestions contained therein.

*Resolution.*—The Council unanimously object to the tone of the letter addressed by the Deputy Chief Engineer and request that Government may be pleased to direct Captain Dawes to withdraw his letter.

4. Read Government Proceedings No. 7364-5—Ml. 175-08, dated the 5th February 1909, passing orders *in re* filling up the post of the Municipal Engineer of the Bangalore City.

*Resolution.*—The Council are of opinion that, as suggested by the Chief Engineer, an Assistant Engineer with knowledge in sanitation should be secured for an important charge like that of the City of Bangalore, that his pay should be Rs. 250 and that applications should be invited by advertisement. [Voting—13 for Rs. 250 2 against „]

5. Read Public Works Secretary's letter No. 115—777, dated the 30th January 1909, *in re* enclosing the vacant space on either side of the Electric Lighting Station near the City Fort and the report of the Improvement Committee thereon.

*Resolution.*—The Council agree with the majority of the members of the Improvement Committee who are of opinion that they are not willing to give the site to the Electrical Department, as this plot of ground is the only open space available within the City limits for purposes of recreation, etc., etc., and that they have an idea of improving the locality themselves.

6. Read draft budget estimates of receipts and expenditure of the City Municipal Council for the year 1909-10.

*Resolution.*—Adopted.
